1. **Remedies.** FMS, at its sole discretion, will either:
    a. Pay the reasonable replacement cost for the defectively manufactured products.
    b. Pay the reasonable cost to repair the defectively manufactured products to an acceptable condition.

6. **Weathering & Discoloration.** Exposure to sunlight and normal weather may result in fading of the surface colors of Eben Stone Wall & Column Caps. Some fading over time is expected for any manufactured concrete product that is exposed to sunlight on a regular basis. Weathering and site conditions can cause oxidation and discoloration in manufactured concrete products. As mineral content in the concrete products oxidizes, mineral patches, dark spots, and rust spots may appear. Algae and other organic growths may form on concrete products as a result of the local environmental conditions and moisture levels. Trees and other vegetation that are adjacent to concrete products may create droppings that can discolor them. This limited warranty does not apply to products that exhibit one or more of these conditions, unless they also exhibit flaking, delamination, peeling, or excessive cracking.
7. **Exclusive Warranty.** This warranty is exclusive, is the only warranty made by FMS for Eben Stone Wall & Column Caps, and is in lieu of all other warranties or remedies of any nature whatsoever to the original or subsequent purchasers or users under any theory of liability, whether in contract, tort, statutory law, or otherwise. **All other warranties and remedies, including the implied warranties of merchantability and fitness for a particular purpose, whether oral, written, express, or implied, are hereby disclaimed by FMS and are waived by the purchaser.** This warranty is not transferable and is only valid for the original purchaser.
8. **Limitation of Liability.** FMS shall have no further obligation or liability of any kind, other than as stated in this document, and the buyer understands and agrees that the purchase price for the defective Eben Stone Wall & Column Caps is the maximum liability of FMS. FMS is not obligated to provide compensation of any kind equaling a greater amount than the original purchase price for the defective Eben Stone Wall & Column Caps. FMS is not obligated to provide any compensation for labor costs to repair or replace defective products.
9. **Governing Law.** This warranty shall be interpreted under the laws of the Commonwealth of Pennsylvania.

This warranty is effective for all sales on or after March 1, 2018, and it supersedes all previously published versions of this warranty. It shall remain effective until FMS publishes a subsequent superseding version, at which time it shall have no further effect.
